OFFICE OF THE

INSPECTOR GENERAL OF POLICE IN MYSORE

No. 3983 / 635 Dated 29 June 1896

Enc.

FROM

THE INSPECTOR GENERAL OF POLICE
IN MYSORE.

To

THE ~~GENERAL~~ SECRETARY TO THE
GOVERNMENT OF MYSORE.
Genl & Rev: Deptts.

SIR,

With reference to Government Proceedings Nos 9816-25 J.F. 53-92 dated 21st December 1893, sanctioning for a period of 2½ years from 1st January 1894 a sum of Rs 2160 for every six months to meet the payment of an allowance at the rate of Rs 15 to each of the substitutes employed in the room of Police Inspectors and Jemadars sent for instruction to the

Police Training School at Bangalore,

I have the honor to state that the period of 2½ years to which the sanction applied expires by the end of June 1896. It has not been found possible to pass through the Training School during this period all the Inspectors and Jemadars fit to receive instruction, one reason being that the Deputy Commissioners were unable to spare them from their duty. In consequence only a small amount of money out of the total sum sanctioned was spent in paying the substitutes employed in place of the men drawn from districts to receive training in the school, viz. Rs 2052-3-6 out of Rs 8640. The number of officials who have been passed through the school during

during the three courses of instruction already given, is 17. This does not include Police Duffedars or Constables in whose places no substitutes were employed nor does it include recruits.

The present class now receiving instruction was opened in March 1896, and besides Duffedars and recruits, it consists of one Inspector and 3 Jemadars, in whose place substitutes are doing duty. The course for these men will take about seven months more to complete, and till then the employment of the substitutes will have to be continued.

As already explained, the period to which the sanction conveyed by Government extended, is coming to a close though the

amount

amount sanctioned has not been

fully spent. An extension of the period is necessary as well for the purpose of continuing the substi-tutes at present on duty till they can be relieved by the permanent men now in the school, as for enabling me to call from the Districts to the School such of the Inspectors and Jemadars as the Deputy Commissioners have found it inconvenient till now to spare. I propose extending the period for another two years commencing from 1st July next and request the favor of your moving the Government to sanction the same.

It will be noted that my proposal does not involve any

expenditure

expenditure beyond what the Govern-
ment have been pleased already
to sanction, and that it merely
amounts to seeking permission to
utilise a provision which for un-
-avoidable reasons could not be
spent within a given time.

I have the honor to be
Sir
Your most obedient servant

[illegible]

Inspector General
of Police
